# IST Course Requirements

- Minimum of 30 credit hours of IST courses
- Required:
  - R711 – Readings in Instructional Technology
  - R690 – Research Methods in Instructional Technology
- For individuals with a NON-IST Masters:
  - R511 – Introduction to IST
  - R521 – Instructional Design and Development
  - R541 – Instructional Technology Production Processes
  - R561 – Evaluation
  - R621 – Analysis
- Based on review of Masters transcript, advisor may recommend/require any of the above courses
- Other IST electives can be determined based on student interests/consultation with advisor

# Inquiry and Foundations Requirements

- Minimum of 9 credit hours of inquiry:
  - Y520 – Research Methods
  - Y502 – Intermediate Statistics (will also include a 1-credit Y500 course focusing on SPSS)
  - Y611 – Qualitative Inquiry Methods
  - Students may choose additional inquiry courses based on interest/consultation with advisor
- Minimum of 3 credit hours of foundations (select ONE)
  - P540 – Learning Theories
    - Also a required class in Learning Sciences minor
  - D505 – Adult Learning through the Lifespan
    - Also a required class in Adult Education minor

# Doctoral Minor Requirements

- 9 credit hours
- Students must select a faculty member from the minor to serve on their advisory committee
- Minor qualifying exam – depends on the minor. Most do not require a minor qualifying exam
- Current minor areas available (within SOE):
  - Learning Sciences
  - LCLE
  - Adult Education (this is the preferred minor)
  - Educational Leadership
  - Special Education

# Residency Requirements

- Residency Requirements
  - All EdD students must attend a MINIMUM of ONE IST conference
    - But we'd love you to come to more!
  - All EdD students must complete qualifying exam on campus
  - All EdD students must complete dissertation defense on campus

# Credit Transfer Process/Revalidation

- Up to 18 graduate credits (beyond initial Masters degree) may be transferred into program
  - THIS WILL USUALLY NOT BE POSSIBLE
  - IST type courses will be the easiest to transfer
- Transfer courses must be at graduate level
- Courses receiving a grade below a B cannot be transferred
- “Independent study” or “Thesis” credits cannot be transferred
- Students must have completed transfer courses a minimum of seven years prior to the date they are admitted to candidacy, or revalidation of the course is required
- Common ways to revalidate a course:
  - Successfully competing a more advanced course
  - Teaching/team teaching the course or a similar course
  - Completing a project that demonstrates knowledge of the course content
  - Demonstrated work experience related to course content

# “Advanced” Topics (Covered in the next session)

- Qualifying Exam
- Nomination to Candidacy and Beyond
- Dissertation Process

# Important Tips!

- PLEASE consult with your academic advisor before registering for classes EACH semester
- PLEASE register for classes as soon as possible EACH semester
  - Classes fill up quickly (particularly inquiry classes) and once they are full there isn't much we can do
  - Distance students are given a registration "window" at the beginning of the registration period. Once that window is past, any student can register for a distance class (i.e., residential students)
- For classes in your MINOR, consult with your minor advisor (or a faculty member in your minor area)
- Course substitutions for our requirements are RARE
  - "Do I have to take stats?"

# Questions and Concerns

- What to expect from our online courses and program
- Open forum for discussion!
